Bill:

I would like to do it on Nov 18. I would like it to be a Availability Meeting. We could do this at the Beatrice Mayes Charter School possibly or at another school close by.

Thanks

Gary;

I spoke with the State Health Department and they informed me about a possible meeting for the week of Nov. 17th through 21st. We could schedule for either Tues. Nov. 18 or Thur. Nov. 20, if this works for you. I would be going around the neighborhood with them, collecting information and questions prior to the meeting.

I would like to visit earlier so we have time to react to community concerns, possibly Nov. 5 & 6.

I think we should develop and mail a fact sheet explaining our progress, future plans, and the upcoming meeting.

Please include me in your upcoming plans so I can be prepared to help and make arrangements for a meeting place, etc.

Thanks;

Bill

Gary,

I wanted to touch base and see how the removal was progressing. Is there anything you would like

me to do at this point, like a fact sheet, Community Get- Together, etc.?

Thanks,

Bill
